

We were truly blessed

My family and I attended the three meetings in NJ last weekend. Even my 4 year old daughter didn't want to leave Fri night and Saturday during the day as the services ended with worship and Gods presence could be felt so strongly. We were truly blessed by each of the words all of you brought to us. In my case, I was truly touched by your ministry, Cynthia. I guess my soul just connects with it the most. I really wanted to pray with and talk to you Saturday night, but my 4 year old was so tired at that point and did want to go home finally.

But I really wanted to thank you both and let you know how touched we were and how totally awesome you guys are in Him! We serve a mighty God and I am so glad we are all one family. You and your ministry are in our thoughts and prayers.

In Yeshua's Love,
(Another) Cynthia :) Isac
