Dear Friends.

Cynthia here... Greetings!

It has been a while since I have shared things the Lord has been speaking to me. I wish to share the Heart of the Lord with you, of some things He has been speaking to me, for His Bride.

On April the 7th, 2014 I was awoken by a loud sound of what sounded like a trumpet at 3am.

As I woke up and was laying in my bed praying and pondering, I dosed of into a dream.

In my dream I found myself to be in Israel. I was in a midst of a trauma going on. It was dark and people were rushing about trying to get to their homes for protection against what was going on.

I found myself in a taxi, trying to get to the hotel that I was staying at, and I realized there were other people in the taxi.

Some of them were Rabbis trying to get to their houses to find shelter.

I was aware of what they were having to deal with. "What they had feared or been thinking about Israel was upon them.

We were all in a difficult situation.

I was trying to get to the hotel to collect my belongings and return to USA. And I woke up from my dream, and I heard Joel 2:1 in my spirit:

"Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the LORD cometh, for it is nigh at hand;"

I believe this does not pertain to Israel only, it is also for our nation, which will be effected, and that the Lord was saying that the whole body of Christ needs to be on high alert right now.

As I was still laying on my bed pondering on all that was going on My husband Lu came in and asked me if I had called him, and I said "No." Then 10mins later, I went to my husband and asked if he had called for me? and he said "No?"

At that point I knew the Lord was speaking to both of us.

As I came out and was having my morning tea, Lu & I began talking about this stirring going on in our spirits. I then opened my e-mail and this word from Steve Hills Ministry was there.

"But if the watchman sees the sword coming and does not blow the trumpet to warn the people and the sword comes and takes the life of one of them, that man will be taken away because of his sin, but I will hold the watchman accountable for his blood." Ezekiel 33:6 NIV,

It is time to rise up and cry out to God with unceasing petition on behalf of the unsaved!

They are blinded to the danger ahead!

Let this stir your heart with compassion. You won't be able to reach the entire sin-filled world, but your prayers for mercy will reach the ears of the God who can!

Last week the Lord lead me to Ephesians 6:18

"Pray with all prayers and with all desires always in The Spirit and be watching with Him in prayer every moment as you pray constantly and make supplication for the sake of all The Holy Ones" {Armaic bible}

The Lord was saying pray till the breakthrough comes!

We have entered into **a new season of war** upon the saints. I know by the spirit that many are in a war or have just come out of it but this attack has come to ware down the saints!

In the past, when you experienced a break through from your battle, there was a sense of victory and a period of relief, that could last for a while before the next one came. But the season we are entering into, things have intensified.

Where we use to have a breather in between battles, the pattern has changed, it is going to be battle after battle, and there will be no rest in between.

As we stay on the offense, and not in the defense anymore, we will hear voices of the enemy in the midst of our battles trying to convince you that nothing is happening. All kind of thoughts will be thrown at you. Thoughts like that you are a failure, it's not working, all kinds of discouragements, etc will hit you, which will cause you to question yourself, "is any thing happening?"

Let me encourage and tell you now, Yes you are and you will be!

The Lord spoke to me that we are entering a very long summer, which started in spring, and that the warfare will be intensified. BUT in the midst of the intensified battle there will be an intimacy of the Lord.

It will feel like He is hiding Himself from us, during this summer as we seek Him out and long for Him.

As our seeking intensifies, His response to us will intensify.

As we go through this period, the Lord said "come fall the reward of our suffering and our seeking will open to us a deeper place in Him, that there is a double portion of the anointing that He has for His disciples.

Allow me to share with you a couple of visions I had during my prayer times.

In the first one I saw "a gladiator(soldier) climbing this mountain with great ability, and my thoughts went to a samurai warrior, who has learned to master his flesh, which gives him the ability to war.

We must learn to master our own flesh, so that we can learn to live in the unseen realm.

As the Lord teaches us to live by our spiritual senses, apart from our flesh, we must allow the Lord to shine His light on every area of our lives. This will enable Him to dress us for the battle, and we will be hidden by Him, because there will be no flesh seen in us.

Now on the same day the LORD gave me a second vision. Here I saw "A white horse with a

warrior on him, with a burning flag in his hand, riding into battle. I heard these words "Torch bearers will be those, who are as a brand, plucked from the fire!"

The Lord will be with us as we go through this intense season. The Lord has called us as watchman on the wall.

Lets look at a few scriptures:

Psalm60:12 ~ Through God we shall do valiantly: for he it is that shall tread down our enemies.

Joel 2:11 ~ And the LORD shall utter his voice before his army: for his camp is very great: for he is strong that executeth his word: for the day of the LORD is great and very terrible; and who can abide it?

We have the voice of the Lord leading and guiding us. We are called watchman on the wall.

Cry out to the Lord to awaken us with the burden for the lost.

The world needs Christ, Jews and gentiles alike, SO sound the alarm the Lord is coming soon. Let us gather as many as we can for His Kingdom.

Rev:12—10,11 ~ "And I heard a great voice from heaven that said" 'Now is the deliverance and the power and The Kingdom of our God, for the accuser of our brethren is cast down', which accused them night and day before our God" And they were victorious by the blood of the Lamb and the word of His testimony, and they did not love their lives unto death"

Be encouraged!
