A Dwelling Place, a gateway to heaven ministries is woven intimately into other key ministries that have and continue to provide valuable resources and support. To continue your journey in drawing closer to the LORD you may find valuable teachings and resources at some of our partners who's links we've made available below.

- [Sadhu Sundar Selvaraj](#): From Catholicism to Hinduism and face to face with the living Christ Jesus, Sadhu Sundar Selvaraj had a dramatic life-changing supernatural encounter at the age of 16. Answering God's call to the ministry at 17, Brother Sadhu, as he is affectionately called by all from around the world, has since then been faithfully serving the Lord God..

- [Neville Johnson](#): Living Word Foundation has been set up to facilitate a vision given to Neville Johnson to serve the Body of Christ by providing quality training and supervision. There is a need in the Body of Christ for greater understanding on how to walk with God, with this knowledge we will be able to survive the End Times and reach into deeper things of God..
